

Free Printable: HEARTfeltrewards Featured Friends

During the month of May, Kazoo is celebrating not only Mother's DAY, but also a fun new holiday he created. It's called "coMAYnity" (he combined the words May and community) for a fun way to create connection all month long. It's all centered around heartfelt rewards and friends.

Decorate a heart to show Kazoo just how much you love you have in your heart (for your Mom, your community, and the museum). Take a picture with your heart (and your mom) and have an adult help you share it with us via Facebook or Instagram using #heartfeltrewards or email it to info@lincolnchildrensmuseum.org.

Your photo will become part of a Featured Friends effort and will be showcased in a "CoMaynity" celebration later this month! It also enters you into a contest with a chance to win 1 of 4 FREE MEMBERSHIPS*!

***Check out our Facebook page and lincolnchildrensmuseum.org for other ways to enter to win (multiple entries are encouraged). All entries must be received by May 28th at noon. Submission of an entry assumes approval to use your photo, first name, and last initial for this and future marketing purposes.**
