We want to see how you are using Agriculture in the Classroom resources at HOME!

To participate, print Gus from this file and cut around the dotted lines. Then, take a photo of Gus showcasing the connection you are making between agriculture and learning. We hope you will show Gus (and us!) the interesting connections to agriculture you make in your home!

Submit your photo at www.nefbfoundation.org/gus to be entered in a random drawing to win a **BOOK!** Twenty-four winners will be drawn at random and announced on Nebraska Farm Bureau Foundation social media to receive their accurate agriculture book.
