

1

Reptile Eggs

This one will require some patience as the experiment will need to sit overnight...but the results will give a sample of what a reptile egg feels like (hint...it's not like a chicken egg).

Supplies Needed:

- jar or cup
- 1 cup vinegar
- 1 egg (uncracked)

2

Turtle Suncatcher

Super cute and super colorful...use your favorite color combos and hang your turtle in the window once done!

Supplies Needed:

- crayon
- sharpener
- wax paper
- glue
- googly eyes
- iron
- green construction paper
