Star Collage

Create a colorful, textured star with simple supplies from home. Make several and hang them from your ceiling using string. If you want to get really creative, hang them in the pattern of your family's favorite constellations.

Supplies Needed:

- cardboard star
(trace and cut from a cereal box or other leftover boxes)
- tissue paper, colored paper
- glue stick
- optional - string and tape or push pins to hang

Constellation Hop

Outside: Use sidewalk chalk and rocks

Inside: Use yarn and paper stars

Using the constellation cards from the first activity, place rocks or paper stars in the formation of a constellation. Create lines using chalk or yarn. Then hop the shape of the constellation to get some energy out. Set up a constellation obstacle course and time each kid to see who can go the fastest!
