

Parent Guide: Endangered Environments

Melting Ice Caps, Shaving Cream Polar Bear, Arctic Animal Moves

1

Melting Ice Caps

Show how melting ice caps impact polar animals. This experiment requires patience and builds awareness.

Supplies Needed:

- playdough or modeling clay
- measuring cup
- butter knife
- clear plastic or glass containers
- colored tape or permanent marker
- tap water
- ice cubes
- small toy penguin or polar bear (optional)

Join us on our Facebook page for instructions!

2

Shaving Cream Polar Bear

This little cutie is super fun (and kinda messy) to make!

Supplies Needed:

- shaving cream
- white glue
- cosmetic/cotton pads
- paper plate
- black and white paper
- dish rag or paper towels

Arctic Animal Moves

Polar bears, arctic hares and many more. Can you move like an arctic animal? Try these fun movements...walk like a polar bear (on 4 legs), hop (slow and quick) like an arctic hare, wriggle on your belly like a harp seal, turn your head like a snowy owl, stomp your feet like a caribou, flap your wings like an arctic tern!
