

## Free Printable: Fossil Fun

Kazoo and his friends are visiting a dinosaur theme park today. While sliding down the T-Rex Trail, they notice some fossils on the side of the mound. Can you help Kazoo and the kids answer these questions? When you're done, cut around the picture and on the lines to create a puzzle!

- What kinds of fossils do you see?**
- How many of each kind are there?**
- How many are there total?**
- Do you think they all formed at the same time?**
