

Parent Guide: Summer – Day 4 of 5 (Picnics)

Edible Pudding Slime, Marshmallow Paint & Rainbow Toast, Picnic Time

1

Edible Pudding Slime

Just 3 easy ingredients make this science experiment educational! And maybe yummy (or maybe not)?!

Supplies Needed:

- 1/4 cup instant pudding mix
- 1 cup corn starch
- 1/3 cup warm water

2

Marshmallow Paint & Rainbow Toast

This colorful activity mixes science, cooking, color, and fun!
Paint your own toasty masterpiece!

Supplies Needed:

- 15 large marshmallows
- 1/4 cup water + 1 tablespoon
- 3 tablespoons light corn syrup
- gel food coloring (6 colors)
- 6 small plastic containers with lids
- popsicle sticks or food safe paintbrushes

Picnic Time

Who doesn't love a great picnic! Pick your favorite blanket, pack your favorite foods (which may or may not include pudding slime and rainbow toast – wink, wink), and take a drive to a new spot. Enjoy your food, the company, and hopefully the weather.

When you're done eating, play "I-Spy" with things in the environment around you, look for shapes in the clouds, go for a walk, do a dance, or sing a song!!
