

Parent Guide: Our Impact On Animals/Environments

Elephant Habitat Collage, Cardboard Tube Safari, Elephant Feet Stilts

1

Elephant Habitat Collage

Search outside for natural items to accessorize these cute elephant handprints as part of a family habitat. Once you've created your habitat (using items from nature) watch over time to see what happens to the habitat if the natural elements are not taken care of.

Supplies Needed:

- items from nature (bark, sticks, leaves, grasses, small stones, ect...)
- gray, green, white, and black paint
- paintbrush
- scissors
- glue
- jumbo construction paper

Cardboard Tube Safari (Source: All About A Little Girl Blog)

These fun animals will have your kids imagining they're on a safari in a far off land (plus it keeps them busy for a bit)!

Supplies Needed:

- cardboard tubes of varying length
- colored paper, white paper
- markers
- glue/tape
