Parent Guide: Earth, Crayons, Trees
1. Melted Crayon Experiment
2. Egg Carton Tree Craft
3. Add-On Activities

**Melted Crayon Experiment**
Bright, colorful recycling project – helps the Earth and is fun for adults and kids alike!

**Supplies Needed:**
- old broken crayons
- silicone molds, old muffin tin (tip: if you don't have an old one, line one with foil)
- a knife (for parent use)

**Egg Carton Tree Craft**
A cute Spring craft using recycled materials

**Supplies Needed:**
- empty, clean egg carton
- large blank white canvas, or recycled cardboard.
- green, yellow, and brown craft paint
- paint brushes
- scissors, hot glue gun or other glue (for parent use)

**Add On Activities**

**We’re Going On A *Rock* Hunt...**
Go on a family walk to collect interesting and unique rocks. (Hint: this is in preparation for tomorrow's fun activities!)

**I Spy...**
While on your walk, also look for trees and flowers that are starting to bud, sprout, and bloom. Count how many you can find, name the colors you see, explore the textures of the tree bark, describe the shapes of leaves and petals, take note of your favorite items and draw pictures of them from memory upon your return.
