Dairy Dash

How many items in your fridge and pantry contain dairy? You might be surprised!

Create a starting line, then have your kiddo dash to the kitchen to find a dairy item from the fridge or pantry. Points for quickest find, for most interesting find, for most finds in 1 minute, and for most finds that can be made into something yummy!

Use Kazoo and Gus (Nebraska Farm Bureau Foundation bovine) as judges. Printable versions of each can be found on lincolnchildrensmuseum.org
