

## Free Printable: Sun or Son?

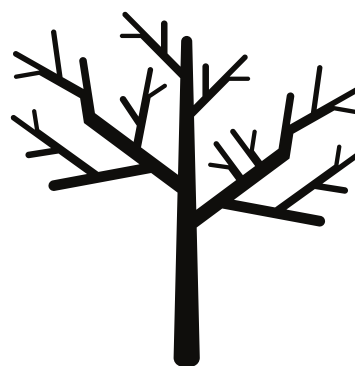

Two words that sounds the same but are spelled different and have different meanings are called homophones. Can you help Kazoo match these nature-themed homophones?

The SUN shines bright.  
The SON plays ball.

The BEAR likes to play.  
The winter tree is BARE.

The wind strongly BLEW.  
My favorite color is BLUE.

I love sailing on the SEA.  
My eyes SEE a beautiful picture.
