DIY Paper Plate Nurse Hat (source: whatjmloves.com)

Supplies:
- White paper plate
- Felt or construction paper
- Glue
- Scissors
- String
- Embellishments

Fold paper plate in half.

Use scissors or a hole punch to make small holes then string a doubled piece of string through the holes and tie.

Cut strips of felt or construction paper to form a red cross and blue line.

Use glue (regular will work but of course we have felt glue on hand) to add cross.

Glue on blue line.
Add embellishments as per toddler instructions.

Tie hat on and snap a cute pic or two!

This is an easy craft to make with your toddler as your assistant. Another great distraction during those sick moments!
